TECHNISCHETOOLS.CO TECNOLOGIA EIRELI

CNPJ 31.860.690/0001-82 | Rio de Janeiro | RJ | Brazil.

Last updated on April 5, 2019. Replaces all previous versions.

These General Terms of Use ("General Terms") govern the conditions for the use of the sites, use of the applications, customer support and other services related to your sites.

You can register only if you agree to the terms presented in this document.

The user must be 16 years old or older to register at **TechnischeTools.co**.

TechnischeTools.co owns all rights, entitlements and interests in the Services or Software Applications ("Applications"). All rights reserved.

TechnischeTools.co develops mobile site applications.

Only users who are legally qualified can use the **TechnischeTools.co** applications in a professional manner. This is true for all version levels.

The **TechnischeTools.co** team of developers performs various types of tests exhaustively in their applications before they are made available to users. However it is impossible to guarantee that all possibilities of use have been tested. In this way, users should always seek other ways of validating the results obtained with the applications of **TechnischeTools.co**.

TechnischeTools.co has no responsibility whatsoever to use the results obtained through its applications.

TechnischeTools.co shall not be liable for the consequences of any acts or actions that may be taken based on the information contained in any page of your websites or your applications.

All content and applications on **TechnischeTools.co** sites, such as texts, images, graphics, numbers, may contain technical errors or any other types of errors. In this way, users should always seek other sources of consultation and validation of the results obtained with the applications of **TechnischeTools.co**.

TechnischeTools.co assumes no responsibility for these same errors.

TechnischeTools.co makes no warranties of any kind, either express or implied, including guarantee of accuracy or suitability for a particular purpose. In this way, users should always seek other forms of validation of the results obtained with the applications of **TechnischeTools.co**.

TechnischeTools.co does not guarantee, further, that the information contained in any **TechnischeTools.co** websites are permanently available.

The **TechnischeTools.co** Developers team carries out a number of security procedures, however this does not guarantee that **TechnischeTools.co**'s websites are free from computer viruses or other harmful components. In this way, users should always seek forms of protection while browsing the websites and applications of **TechnischeTools.co**.

TechnischeTools.co may, at any time and without prior notice, make changes to the contents of your sites and applications.

The **TechnischeTools.co** team of developers works hard to generate continuous improvements in their applications, but does not commit to updating with defined and mandatory frequency.

Technical support

TechnischeTools.co does not have technical support.

TechnischeTools.co applications are self-explanatory to the intended audience.

Any comments should be made through the "Contact" tab on the site and available to registered users. All messages will be read and considered for future application enhancements.

Messages sent through the "Contact" tab will not be answered directly to the user who sent them. It will be considered for future improvements in applications.

Connections to TechnischeTools.co website

TechnischeTools.co allows certain business partners and organizations, with whom it maintains close cooperation, to link to the institutional site **https://www.technischetools.com**.

When there is a connection, the link must clearly communicate that it will connect to the institutional page of **TechnischeTools.co**, through the internet (**https://www.technischetools.com**).

We ask that you refrain from connecting to the **https://www.technischetools.com** link if the connection is inappropriate or not in line with our conduct and values.

Connections to other sites

It is possible that through the website of **TechnischeTools.co**, links to other external entities are established, provided they represent a positive value and in line with the conduct and values of **TechnischeTools.co**.

TechnischeTools.co does not assume any responsibility for the contents or functionalities of external sites that are not managed or controlled by **TechnischeTools.co**.
